

CHILDREN'S FRIEND! PERRY'S WORM TEA.

A SAFE AND EFFECTUAL REMEDY FOR ALL kinds of Worms found in the human body; also, a certain cure for Worm Fits, Worm Fever, Tetanus, &c. Possessing in its combination eminent cleansing and strengthening properties, its use will always improve the health of the patient, whether impaired by worms, or other causes.

Perry's Worm Tea, effectually carries off the slimy or mucous, which is the food of worms, in which they breed, and consequently worms cannot exist where this medicine is used.

A physician in large practice says: "I have been called to many cases of Fits, given up by other Doctors as incurable, all of which (being caused by worms) have been cured by Perry's Worm Tea."

Another says: "I prescribe Perry's Worm Tea in all cases where anthelmintics (worm medicine) is indicated, and always with the happiest results."

CHOLERA

Disarmed!!!

The Chief Causes of Pestilence Destroyed.

DR. E. COURTNEY'S DISINFECTING FLUIDS, Secured by Letters Patent in the United States and France. Prepared solely by the New York Disinfecting Company, at their Laboratory, Nos. 298, 300 and 302 Henry-street, N. Y. Office, 45 Cedar-street.

This Company, organized on a permanent basis, with Dr. Courtney, the celebrated French Chemist, in charge of its Laboratory, is prepared to furnish its DISINFECTING FLUIDS for sick rooms, nurseries, urinals, water closets, privies, cesspools, sewers, gutters, ships, railroad hospitals, prisons, and public institutions of all kinds, slaughter-houses, offal and fat-boiling establishments; all kinds of manures (immensely increasing the value of the latter to every farmer), and wherever poisonous and offensive gases exist. These agents are deodorizers, antiseptics, antiputrescents, and disinfectants in the scientific meaning of the words. They remove noxious gases and odors by chemical principles—leaving in their place *Acidified Air*; they are preservatives, and not merely absorbents of poisonous gases—not injurious to utensils in which they are used. The attention of medical and scientific men is directed to these disinfectants. Attached are testimonials in favor of this great discovery, which, with hundreds of others, can be seen at the Company's office.

DELAVAL HOUSE, ALBANY, March 30, 1866.

To the President of the New York Disinfecting Company: Dear Sir: It is all I can represent to be. We have made many trials of disinfectants, but now consider that we have found an article which surpasses all others as a remedy against all bad odors. T. ROBERT & CO. New York, April 9, 1866.

To the President of the New York Disinfecting Company: Dear Sir: We pronounce it without exception to be the best we have ever known. Its effect upon every matter is complete and instantaneous.

CONSTITUTION WATER.

THE ASTONISHING SUCCESS WHICH HAS ATTENDED this invaluable medicine proves it the most perfect remedy ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system. In fact, it stands unrivaled as a remedy for the perfect cure of

Diabetes, Impotency, Loss of Muscular Energy, Physical Prostration, Indigestion, Non-retention of Urine, Incontinence of Urine, Irritation, Inflammation or Ulceration of the Bladder and Kidneys, Diseases of the Prostate Gland, Stomach in the Bladder, Calculus, Gravel, or Brickbat Deposit, And all Diseases or Affections of the Bladder and Kidneys, and Dropsical Effusions existing in Men, Women, or Children.

FOR THOSE WHO ARE PECULIARLY TO FEMALES CONSTITUTION WATER IS A SOVEREIGN REMEDY.

These irregularities are the cause of frequently recurring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the difficulty becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.
